

Richard Lannon

Blending business thinking and technology abilities is all about building business brainpower. Richard Lannon is a speaker, trainer, and business advisor with senior management and leadership experience in business and the technology industry. He partners with business and technology organizations to clarify their goals and objectives and trains their leadership and professionals on how to achieve them. Richard provides the blueprint for you and your business and technology organization to be SET for Success (structure, engage and train). That is why his clients call him the SETability Expert.
