

Richard Lannon (Lan-nun)

Richard Lannon is more than a seasoned professional. In fact, you could say he is marinated!

Richard left the corporate world to form a BraveWorld. A company dedicated to partnering with business and technology organizations to *help clarify their goals and objectives and train their leadership and professionals on how to achieve them.*

He has worked in the oil and gas, education, transportation, technology and professional business service industries where he has successfully contributed to PricewaterhouseCoopers, Enbridge, Enmax, Canadian Pacific Railway, ATB Financial, and many other business and technology organizations.

Richard has been *featured in newspapers* and magazines across Canada including the National Post, Project Times, Calgary Herald, Vancouver Sun, Business Analyst Times and Montreal Gazette about the importance of *aligning the enterprise and technology skills to common business objectives.*

He is a speaker, trainer and advisor with senior management and leadership experience in business and the technology industry. Richard has helped entrepreneurs, business leaders, managers and senior professionals to *build their business brainpower and bottom-line thinking.*

Richard provides the blueprint for your business and technology organization to be SET for Success -- structured, engaged, trained.

That is why his clients call him the SETability Expert.

We are glad that Richard is available to present < **insert program name here**> in conjunction with the <**your organizations name or sponsors name here**> and a **BraveWorld** today.

Please welcome Richard Lannon (Lan-nun)
